

"WHAT DOES TaNaK SAY ABOUT BEING OF YaHuWdi DESCENT?"

By Michael E. Baker

There is a saying that a person is not YaHuWdi (Jewish) unless your mother is YaHuWdi. I am going to show you from the TaNaK that a person is YaHuWdi through the father.

ADAM TO SHETH

In the TaNaK, we learn of a righteous bloodline and we will follow that line as far as we can to determine through whom comes the YaHuWdi bloodline. Adam fathered Sheth, Sheth fathered Enowsh, Enowsh fathered Qeynan, Qeynan fathered Mahalal'el, Mahalal'el fathered Yared, Yared fathered Chanowk, Chanowk fathered Methuwshelach, Methuwshelach fathered Lemek, Lemek fathered Noah, Noah fathered three sons named Shem, Cham, and Yepheth.

THE SHEMITE'S

Noah had three sons and his second son Cham had looked upon his nakedness in violation of ToRah and Noah cursed Cham's youngest son Kena'an. (B're'shiyth 9:20-25). We learn that the YaHuWdi bloodline continues with the lineage of Shem. Shem fathered Arpakshad, Arpakshad fathered Shelach, Shelach fathered Eber, Eber fathered Peleg, Peleg fathered Re'uw, Re'uw fathered Seruwg, Seruwg fathered Nachowr, Nachowr fathered Terach, Terach fathered Abram - who's name was changed by YaHuWaH to Abraham due to a promise of him being a father to many nations. (B're'shiyth 17:1-8).

Abraham fathered two sons, Yishma'el and Yitschaq. YaHuWaH told Abraham that He will establish His covenant with him through Yitschaq. Yishma'el was not part of the covenant and was dismissed along with his mother. Yitschaq fathered two sons, Esaw and Ya'aqob. Esaw was the first born, but sold his birth-right to Ya'aqob for bread and a stew of lentils.

Before Yitschaq had passed on to be with his fathers, he gave the firstborn birth-right to Ya'aqob. The blood lineage comes through Ya'aqob. Ya'aqob fathered twelve sons of which the fourth-born was YaHuWDaH (Judah).

LET'S LOOK AT YaHuWDaH

First off, I need you to remember that Noah's son Cham had looked upon his father's nakedness and Cham's youngest son Kena'an was cursed for all time. Now turn to B're'shiyth 38:1-30. YaHuWDaH visited a certain Adullamiy, whose name was Chiyrah. YaHuWDaH saw there a daughter of a certain Kena'aniy. He then took her as his wife. YaHuWDaH took a woman of a cursed people as his wife. Had any of their sons had children, then she would have been the mother of all YaHuWdi people. However, YaHuWaH intervened so that this would not be so. Er and Owanan were slain by YaHuWaH and there is no record of Shelach's children. But still, the beginning of all YaHuWdi people is with YaHuWDaH the fourth-born of Ya'aqob through his Torah-breaking relationship with his daughter-in-law, Tamar. Let me explain. We are told that YaHuWDaH had three sons. Their names were Er, Owanan, and Shelach. YaHuWDaH took a wife for his first-born son Er and her name was Tamar. Er did evil in the sight of YaHuWaH and YaHuWaH took his life. YaHuWDaH told his second-born son, Owanan, to go into his brother's wife Er, and raise an heir to his brother. Owanan despised this and when he went into Tamar he spilled his seed (semen) on the ground. YaHuWaH took his life for this rebellion. YaHuWDaH told Tamar to stay in her father's house until Shelach is grown. After many years YaHuWDaH's wife had died. YaHuWDaH and his

friend, Chiyrah, went to the town of Timnah to shear his sheep. It was told to Tamar that YaHuWDaH was going to the town of Timnah, so she went to of Enayim which is on the way to Timnah disguised as a prostitute - for she saw that Shelach was grown up but she had not been given to him as a wife.

When YaHuWDaH saw her, he took her for a prostitute and asked to have sex with her. Once he gave her a pledge, he had sex with his daughter-in-law which is against ToRaH. (WaYiqra 18:15). About three months later it was told to YaHuWDaH that Tamar was pregnant. YaHuWDaH ordered her death. Once she showed YaHuWDaH that she was pregnant with his children, twins, he spared her life but didn't have any more sex with her.

FROM YaHuWDaH'S SONS TO THE SOVEREIGN DAUWD (DAVID)

YaHuWDaH and Tamar had twin sons named Parets and Zerach. From here we will journey to the Sovereign Dauwd. Dauwd's bloodline comes through Parets. Parets fathered Chetsrown and Chamuwl. Sovereign Dauwd's bloodline comes through Chetsrown. Chetsrown fathered Yerahma'el, Ram, and Chelubai. Sovereign Dauwd's blood line comes through Ram. Ram fathered Amminadab. Amminadab fathered Nahshon. Nahshon fathered Salma, Salma fathered Bo'az, Bo'az fathered Obed by Ruwth THE MOABITESS, Obed fathered Yishai, Yishai fathered the Sovereign Dauwd. ***Notice that Dauwd's grand-mother was a Moabite.** We learn this from the book of Ruwth.

Sovereign Dauwd's wife, Michal, was a Benymenite. So I guess his sons from her weren't YaHuWdi - if the bloodline is through the mother. In 1 Shemuel 27:1-3, we learn Sovereign Dauwd had two other wives, Ahinoam, the Ysra'alitess and Abiygayil the Carmelitess. They weren't from the family of YaHuWDaH. Does this mean their children weren't YaHuWdi?

Then we have Sovereign Dauwd having an adulterous affair with Bathsheba the wife of Uriyah the Hittite. This makes me wonder if Bathsheba was of the family of YaHuWDaH since she was married to a Hittite man. Either way, Sovereign committed adultery with Bathsheba in violation of the seventh commandment. This means Shelomoh who eventually succeeded his father as Sovereign of all Ysra'al Shelomoh was born illegitimately. Dauwd also had Uriyah killed premeditatedly which equates to murder according to the Ten Commandments (Shemoth 20:13).

BACK TO YaHuWDaH's KENANITE WIFE

Didn't Abraham make his servant swear under oath not to take a wife for his son Yitshaq from the daughters of the Kena'anites? (B're'shiyth 24:1-67) I always wondered why YaHuWDaH disobeyed his great grandfather's wishes to not have the Kena'anite tribe as part of the royal, pure, blood-line of the Shemite's. We also have to consider all the wives and concubines Sovereign Shelomoh had and the children born to him. Were they considered YaHuWdi? Their mothers were not YaHuWdi. If the tale is true that a person cannot be YaHuWdi unless his mother is YaHuWdi then the only person we can say is a real YaHuWdi is Ya'aqob's fourth-born son, YaHuWDaH himself. But just the opposite is true. The blood-line of all YaHuWdi is through the father. We just learned that. It is not in the TaNaK that the YaHuWdi bloodline is through the mother. It is only through the father. Rabbinical authority is wrong for betraying the YaHuWdi people for thousands of years. Almighty YaHuWaH Aluhiym will judge all Rabbis for lying to His people. Remember all twelve tribes of Yisrael were chosen by YaHuWaH Aluhiym to be a light to the nations. Not just the tribe of YaHuWDaH.

WHAT DOES YaHuWSHuWaH SAY ABOUT RABBINICAL AUTHORITY?

During the days that YaHuWSHuWaH HaMashiyach walked on this earth there were two main factions of YaHuWdism (Judaism). 1. Sadducees, 2. Pharisees. The Sadducees were in charge of all Temple services and were of the tribe of Lewites.

The Pharisees were ordinary YaHuWdi people in charge of enforcing ToRaH and the added rules surrounding ToRaH. In the year 70 of the common era, Rome destroyed Yahrushalayim (Jerusalem). At that time the Sadducees died out, but the Pharisees remained to this day and now they are called "Rabbis". If you read the Brit Chadasha (improperly called New Testament) you will not find one place where YaHuWSHuWaH supported the Pharisaic order. If you read MattithYaHuW 23, you will see a total of seven times YaHuWSHuWaH called the Pharisaic order "Hypocrites". He has always told us to not follow their pernicious ways. They say and do not do. In Hebrew the number 7 represents "completion and/or perfection". He is saying the Pharisaic order are complete/perfect hypocrites. They place the Talmud over Moshah. YaHuWSHuWaH came and corrected the false worship and restored true worship. He taught us now to obey Moshah correctly. He said not to call any man Rabbi for we have only one Rabbi. (MattithYaHuW 23:1-7).

WHAT IS THE NAME OF THE HEAVENLY FATHER AND HIS SON?

Mishle (Proverbs) 30:4, "Who has gone up to the heavens and come down? who has gathered the wind in his fists? who has bound the waters in a garment? who has established all the ends of the earth? WHAT IS HIS NAME AND WHAT IS HIS SON'S NAME IF YOU KNOW IT?"

Look in any Hebrew TaNaK and you will see the four letters which consist of the Heavenly Father's name. They are pronounced YOD-HAY-WAW-HAY and they look like this יְהוָה. The YaHuWdi scribes added the vowel points of the Hebrew words Adonai and Aluhiym to the four letters of the Father's Name and it took on the sound of YeHoVaH. This is a direct violation of the third commandment which commands us to not take the name of YaHuWaH your Aluhiym to ruin. (Shemoth 20:7). Also, sometime after the return from Babel (mispronounced Babylon) the YaHuWdi priests made a law not to pronounce the name of YaHuWaH Aluhiym. The penalty for violating this law was death. Many of our YaHuWdi brothers and sisters died for the name of YaHuWaH. Many prophets were killed for worshipping in this Name and I figure I will some day die for my worship in the Name of YaHuWaH Aluhiym. May YaHuWaH Aluhiym open the eyes of the YaHuWdi people and all people in this world.

BACK TO THE BELIEF OF THE PROPHETS AND EMISSARIES (APOSTLES)

Did you know the name YaHuWDaH has spiritual significance? It means a praiser/worshipper of YaHuWaH. Did you know a true YaHuWdi is one inwardly and not that of the flesh? His praise is not of men, but of YaHuWaH Aluhiym. His circumcision is of the heart and not in the flesh. Romans 2:28-29.

COME OUT FROM AMONG THEM AND BE SEPARATE SAYS YAHUWAH Aluhiym AND DO NOT TOUCH THE UNCLEAN THING AND I WILL RECEIVE YOU SAYS YAHUWAH THE ALMIGHTY. THIS IS FOUND IN 2 CORINTHIANS 6:17-18 and YASHAYAHUW 52:11.

Be reminded that the name of the heavenly Father is not YeHoVaH. His Name and His Son's Name are:

YaHuWaH is the Name of the heavenly Father.

YaHuWShuWaH is the Name or His Son.

PROPER TITLES OF THE HEAVENLY FATHER AND HIS SON

HaMashiyach or Messiah is the proper title for YaHuWSHuHaH. The title "christ" is a pagan title and should not be used. There is a history to this title which goes back to ancient India and if you need more information I will teach you.

Do not use LORD or GOD. These titles are also pagan and should not be used. They both go back to ancient Babel and have much to do with Ha Shatan (satan).

This too is information I have.

The sons' name is not "jesus". His name is YaHuHSHuWaH. The false name jesus is a latinized/grecian form of Zeus worship. The english letter "J" didn't even exist until the 14th century of our common era. Again I have much information regarding true worship if you choose to know. May YaHuWaH Aluhiym bless your understanding. This study is intended for a blessing. Please do not turn it into a curse.
